

Personal Injury Case Study 4

Chris Bainbridge acted for Mr S.W. of Bradford. He was knocked over by a motorist whilst walking along the pavement.

As a result, he suffered an aggravation of a pre-existing back injury, general cuts and bruises and a mild form of post traumatic stress disorder.

Conclusion

With medical intervention, Mr S.W. made a full recovery from his post traumatic stress disorder much sooner than anticipated. The case settled for £35,000.00.
